Newsletter**CELEBRATE NATIONAL PICNIC MONTH & 4TH OF JULY**

There is no reason a 4th of July picnic should not be healthy! Instead of fatty, high-cholesterol hot dogs, hamburgers, and junk food, make sure you include a beautiful healthy salad of fresh organic lettuces, tomatoes, onions, olives, and other tasty, raw vegetables. Throw some corn on the BBQ, along with yams, eggplant, onions and zucchini seasoned with Bragg Sprinkle, Kelp and Bragg Aminos. Remember, nothing spices up your vegetable dishes like Bragg Organic Salad Dressings and Seasonings.

Dr. John Demartini (Star in The Secret): As a youth I had a learning disability and was told I would never read, write or communicate ever normally. At 14 I dropped out of school and at 17 ended up surfing in Hawaii. My road to recovery led me to Dr. Paul C. Bragg, who changed my life. He gave me one simple affirmation to repeat: "I am a genius and I apply my wisdom."

Patricia with Paul Wenner & Dr. John Demartini in Maui.

Dr. Bragg inspired me go back to school and to live a healthy lifestyle. From there miracles happened! I have authored 54 training programs and 14 books and I love to crusade world-wide. I Thank Dr. Bragg. www.drdemartini.com
