BRAGG HEALTH TIP ~ Live Healthy, Stay Healthy, Live Longer

Spring is on the way! Time to start adding even more organic fruits and veggies to your shopping cart! And make sure they're organic! Commercial food products continue to test positive for GMO's, chemicals, fluoride, carcinogens, pesticides, growth hormones, toxic bacteria, and even outright poisons like arsenic! Sure, these things may not affect you immediately. But these micro-amounts add up over time and, to be sure, can become deadly. Don't panic. Go Organic!

March is National Nutrition Month

"National Nutrition Month" is a Nutrition Education and Health Information campaign created annually in March by the *Academy of Nutrition and Dietetics*. The campaign focuses attention on the importance of making informed food choices and developing sound eating and physical activity habits. **The theme for 2015 is "Bite into a Healthy Lifestyle,"** which encourages everyone to adopt eating and physical activity plans that are focused on consuming fewer calories, making informed food choices and getting daily exercise in order to achieve and maintain a healthy weight, reduce the risk of chronic disease and promote overall health!

April Month is Stress Awareness

Stress Kills! Chronic stress can weaken, even shut down the immune system. Our immune system is powerful. It can protect us from a wide range of diseases, even deadly ones. But if it collapses, our body's defenses are gone. The enemy can invade and wreak havoc. How do we fight stress? Don't Worry, Be Happy! Yes, it's true. We get to decide whether to love or resent, to worry about the future, or embrace the present. You can look in your local newspaper for a neighborhood meditation class. Meditating before going to bed at night is a great way to reduce stress. Why go to sleep with all the day's headaches looming in your brain. Let them go! That's another fabulous stress-reducing strategy . . . just let go of your stress, hatreds, jealousy, and hurts. Plan, plot and follow through on your dreams, desires and New Year's Resolutions! - **life is a great miracle & be thankful for all your blessings! - 3 John 2**
